Headteacher: Chris Johnson

Dear parents and carers,

We are writing to let you know that the school has completed a scheduled review of our Relationships and Sex Education (RSE) policy.

This review coincides with updated statutory guidance from the Department for Education, published in July 2025. The policy has been updated to reflect this guidance and to strengthen clarity around areas such as transparency, safeguarding, accessibility for pupils with SEND, and governance oversight. The core curriculum intent and content remain unchanged.

As part of our normal review cycle, we are inviting parents and carers to share any comments or questions on the updated policy. This is an opportunity to raise points for consideration, not a consultation on statutory curriculum requirements.

The updated policy is available in policy section of the school website. Parents may also request to view the teaching materials used in RSE, including any resources provided by external organisations.

There is no change to parents' rights of withdrawal from the non-statutory elements of sex education.

If you would like to share comments or ask questions, please do so by Midday on Monday 22nd June using this QR code:

Any feedback received will be considered as part of this scheduled review.

Thank you for your continued engagement and support.

Yours sincerely,

Headteacher

RSE Parent Consultation Summer 2026
