Rooted at West End. Growing together. Blossoming in our own special way.

West End Academy Newsletter

Autumn 1 - Week 6

Welcome to our latest newsletter, with a brand new look!

We are so proud of everything our children have been achieving this week - we have our first times tables marks from Year 3 and Year 4 and they are OUTSTANDING! Keep up the hard work on TTRockstars at home!

Our pupils have been working incredibly hard across all subjects, showing great enthusiasm and dedication. From exciting science experiments to creative writing projects, there is always something wonderful happening in our classrooms. We are so proud of every single one of our learners and our staff are working hard to balance great learning with lots of fun! Thank you, everyone, for your continued support over this first half term — together we make West End Academy a wonderful place to learn and grow.

PE Survey

We had an overwhelming response to our recent survey regarding wearing PE kits on PE days. As you can see, 107 of you voted yes so after half term, children are welcome to wear their PE kits on PE days.

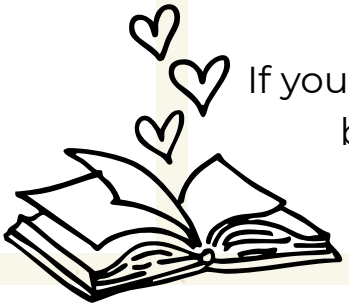
Book Donations Wanted

Do you have unwanted, age appropriate books at home?

We are looking to expand our reading areas and library in school but we need more books!

We will be accepting donations of any unwanted books, which are in 'like new' condition which our children may love to read just for pleasure.

If you wish to donate, please pass any books to your class teacher.



Pupil Voice

This week, we asked our Year 6 pupils to decide on what the best West End Way of Walking looked like! They discussed and decided that we should be walking silently indoors, have safe hands and feet and be respectful of other learners. A huge thank you to Isla and Lacey for sharing this in assembly on Monday! You were very brave to stand up infront of the whole school.
