Dear Parents / Carers,

We are fast approaching our second learning event of the year which will be next Friday (13th November) from 2:00pm - 3:00pm. The focus of this parent / carer event is all about how we learn Maths! These events are always well attended so please make sure you sign up as soon as possible! You will take part in learning activities with your child in our Foundation Stage environment and take ideas for learning back home with you. Following this you will then be able to take your child over to the school hall to see (and purchase) what they have made for Children in Need!

Sign up for the event can be found here:

If you have any questions, please speak to a member of staff at drop off or pick up time.

Thank you for your continued support and we look forward to seeing you all in school next Friday 13th November!
